Join Us in tackling Women's Health.

Overview

The Minimally Invasive Surgery (MIS) Unit from KK Women's and Children's Hospital, SingHealth Duke-NUS OBGYN Academic Clinical Programme (OBGYN ACP), and Asia Pacific Association for Gynecologic Endoscopy and Minimally Invasive Therapy (APAGE) is organizing the Regional Congress of APAGE 2017. The focus is "Overcoming Difficulties in Challenging Surgeries". It aims to equip surgeons with the skills and knowledge to tackle these difficulties through a variety of learning platforms. The congress will also feature how medical and surgical innovations can help us in such situations. The faculty will comprise of international leading experts in minimally invasive gynaecology who will share their experiences with us.
