

Dear colleagues,

We are pleased to inform you that

**7th Congress of the South – East European Society of Perinatal Medicine
and
3rd Congress of fetal and neonatal medicine**

will be held from May 10th – 12th 2018 in Hotel Zira , Belgrade, Serbia

The invited speakers at this Congress will include specialists and subspecialists of all branches of medicine that are related to the pregnancy and the neonatal period: perinatologists-obstetricians, neonatologists-pediatricians, transfusiologist, surgeons, anesthesiologists and others, who will contribute to the exchange of new knowledge and skills, so we may expect over 300 active participants with various specializations.

This year topics will be:

- 1. Premature labor**
- 2. Fetal growth disturbances**
- 3. Multiple pregnancies**
- 4. Essential genetics- from screening to diagnosis and therapy**

It will provide a high-end academic information exchange platform encompass High Risk Pregnancy, Antenatal & Newborn Screening, Obstetrics Care and other Research on Perinatal medicine. We expect actively participation off all the colleagues across the Europe.

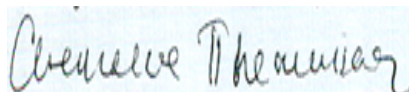

We are looking forward to welcome you in Belgrade!
