

Obstetrics and Gynaecology Assessment Course

29th - 31st October 2018

This course is designed especially for doctors who plan to sit the Entrance Exam for Malaysian Conjoint O&G Master's Programme and MRCOG part 1; it is endorsed by the O&G conjoint board. The topics chosen cover the core elements of the applied basic science relating to O&G. The course offers the best opportunity to familiarise the candidates with the new OBAs theme of the real exam in addition to MCQs.
