# Overview

Royal College of  
Obstetricians &  
Gynaecologists

This Part 3 Practical Course is the only RCOG approved course in Malaysia. It gives delegates a unique opportunity to practice and rehearse the exact clinical tasks set down in the new MRCOG Part 3 oral examination.

There will be 2 different circuits each with 14 active stations where you will receive individualized feedback from officially trained RCOG examiners & UK Faculty.

In addition workshop based sessions are used to incorporate communication skills with patients and colleagues, issues with patient safety, applied clinical knowledge and information gathering using different task materials. There will also be RCOG videos & Material to reflect and discuss to allow you to identify areas of strength and areas for further improvement.

Lastly insider knowledge will be shared about changes to the syllabus and curriculum that will influence the marking of the exam.

**Book soon as places are limited to strictly 28.**
