## GENERAL INFORMATION:

### LANGUAGE:

English is the official language of the Conference and is the most commonly foreign language spoken in Egypt

### ELECTRICITY:

Electricity supply in Egypt is 220 volt AC

### WEATHER:

Alexandria has a temperate climate with the overall weather being very mild. The weather is often extremely hot during the day time with temperatures dipping to much cooler levels at night.

The seasons in Alexandria are split into two main seasons of winter that starts in November and ends in April and summer that starts in May and ends in October. Winter in Alexandria tends to be fairly mild, with temperatures during the summer months being considerably hotter.

For up-to-date weather forecast, please visit: <https://www.bbc.com/weather/361058>

### TIME ZONE:

Time zone in Egypt is (GMT+2)

### CURRENCY:

The Egyptian pound is the official currency for the Arab Republic of Egypt.

### Automated teller machines (ATMs):

You can make cash withdrawals from bank ATMs in Egypt at any time of day or night using Egyptian or foreign Master cards. (ATMs) are common throughout Cairo and Alexandria, less so in smaller cities and nearly impossible to find in rural Egypt.

The exchange rate you get may vary from machine to machine. All of them will charge a slight fee for the conversion

### Credit cards:

Credit cards are accepted at the vast majority of hotels, restaurants, shops and filling stations. To find out whether your credit card is accepted, please check the logos on display at the entrance to the premises before attempting to make a payment.

## RESTAURANTS:

Alexandria's restaurants range from the typical Egyptian to the luxurious gourmet. They offer the entire spectrum of regional and international delights to please the palate. For a guide to places to eat please visit:
