WELCOME MESSAGE

Dear Colleagues,

I warmly welcome you to the “2nd Malaysian Obstetric Medicine (MOM) Scientific Congress 2020”, a course dedicated to Obstetric Medicine.

Following the overwhelming success of our very 1st MOMS Congress in 2018, this is our second endeavour with the same core objectives and zest; which is to disseminate awareness and to improve the quality of care of patients with complex medical disorders in pregnancy.

Medical disorders in pregnancy remains a significant cause of maternal deaths in Malaysia and in many developed countries. A multidisciplinary team of experts, evidence based approach, leadership and quality of care are the essentials in management of such patients.

With a renowned international faculty of experts and distinguished expert clinicians throughout the nation, we have designed an up-to-date scientific programme based on the best available evidence. An interactive programme immersed with lectures, quizzes, grand rounds, case discussions and presentations; with plenty of opportunities to stump the experts awaits you as we promise an enriching holistic experience for one and all.

I warmly invite you to join us for a three day scientific symphony of medical disorders in pregnancy, themed “Bridging Obstetrics & Medicine”. I look forward to seeing you at the “MOMS Congress 2020”.

Dr Muniswaran Ganeshan
Course Convenor,
MOM Scientific Congress

WHY ATTEND?

1. Master essential medical conditions in pregnancy
2. Appreciate the principles of management of mothers with complex medical disorders in pregnancy
3. Overcome common misconceptions with regards to interventions and medications in pregnancy
4. Update yourselves on the best available current evidence in the field of Obstetric Medicine
5. Appreciate how to run a high risk obstetric medicine clinic and how to organize an effective multidisciplinary team meeting

WHO SHOULD ATTEND?

- Obstetricians & Gynaecologists (Specialists & Consultants)
- Maternal Fetal Medicine Specialists and Fellows
- Physicians involved in the care of pregnant mothers
- Endocrinologists
- Family Health & Family Physician Specialists
- OBGYN, MRCOG, Internal Medicine & Family Physician Trainees (Registrars & Medical Officers)
- Anaesthetists & Trainees
- Primary Care Doctors & General Practitioners
- Health professionals involved in maternal & child health
- Nurses

ORGANISING COMMITTEE

- Dr Muniswaran Ganeshan (*Course Convenor*)
- Dr Patricia Lim Su-Lyn
- Dr Amirah bt Abu Kassim
- Dr Fatin Nabila Yazid
- Dr Jagdeesh Kaur
- Dr Kamariah binti Ahmat
- Dr Nicole Asha Thayaparan
- Dr Nurhanisah Ahmad Kamal
