MedEx (O&G)

Exam Preparation Course

The Way to a Career in O&G

Designed for doctors planning for a career in O&G and particularly planning to register for the MedEx organised by Majlis Peperiksaan Malaysia for O&G Programme & those sitting MRCOG part 1. It is endorsed by the O&G conjoint board & topics chosen cover the core elements of the applied basic science relating to O&G. The course offers the best opportunity to familiarise the candidates with the OBAs theme of the real exam in addition to MCQs.
