

Part 3 Circuits Course

DATE : 28th - 29th March, 2020
VENUE : Perdana University
Clinical Skills Unit
Block D, Level 1
MAEPS Building,
MARDI Complex, Jalan MAEPS Perdana,
43400 Serdang, Selangor

The PACT Circuits Course features 2 complete circuits that simulates the Part 3 exam. Our unique approach aims to familiarise you to the exam format and prepare you for any scenario the exam may present to you. Our sessions on difficult stations will help you to 'walk the walk' and 'talk the talk' toward clearing this final hurdle.
