Welcome Message

Dear colleagues,

It is with great pleasure that we extend a warm welcome to the AOGIN (Asia-Oceania Research Organization in Genital Infection and Neoplasia) 2024 meeting, to be held in Seoul, Korea from July 11th to 13th, under the theme 'Empowering Women, Together against Cervical Cancer'.

AOGIN stands as a prominent organization in the Asia-Pacific region, analogous to EUROGIN, IPVS and IFCPC that we collaborate to combat infectious diseases and cancer.

Our collaborative efforts with global bodies encompass a diverse array of medical and health professionals, dedicated to advancing women's health and to increase the awareness in the lay public.

Our organization fosters initiatives spanning research, academic exchange, education, and training of health specialists.

Under the theme 'Empowering Women, Together against Cervical Cancer', this conference carries profound mission and vision. It seeks to underscore leadership of medical professionals in the Asia-Pacific region, striving to elevate the international stature of this academic gathering.

We earnestly hope that AOGIN 2024 will facilitate the establishment of global networks and the exchange of invaluable insights. Participants are poised to advance scientific research objectives, mutually share expertise, and unite in our collective endeavors. Your interest and support for AOGIN 2024 are paramount to its success, and we eagerly anticipate your participation in wonderful city Seoul.

Together, let us embark on a journey of collaboration and discovery.

Your interest and support for AOGIN 2024 with your presence are deeply appreciated.

Warm regards,

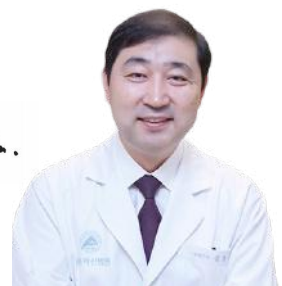

Young-Tak Kim
