Dear Colleagues,

It gives me great pleasure to invite all of you to the 23rd Malaysian Congress of Obstetrics and Gynaecology from the 5-8 June 2014 which is being held for the first time at the One World Hotel, Petaling Jaya.

The theme of the congress is 'Back to Basics' and in line with this, the Scientific Committee has arranged a programme which will look at common clinical problems and their management issues. There will also be thought provoking plenary sessions by our distinguished and internationally acclaimed speakers which I am positive will benefit all the delegates at this event.
